[Valrico, Florida, October 23rd, 2023] – Chiros Who Care, a Beryllium Creative Inc. portfolio company, launches three Florida metro area apps (Chiros Who Care Tampa Metro, Chiros Whow Care Orlando Metro, & Chiros Who Care Miami Metro) to help provide the communities with information focused on pain education, forms of treatment, and wellness for those who may be in need of chiropractic care.

“Our goal is to help those in pain find some solace with chiropractic knowledge and tips,” says Howard “H.D.” Campbell, President & CEO of Beryllium Creative. “Chiros Who Care will also team up with chiropractors in the areas we serve to help if those in the community need chiropractic help to ease their pain & discomfort. As someone who has utilized chiropractic services for my back pain in the past, I can tell you firsthand that it helps!”

With the three apps in the chiropractic referral network, **Chiros Who Care** will begin to serve the Tampa Metro, Orlando Metro, and Miami Metro areas initially. Chiros Who Care will expand its services in more communities in the near future.

Chiros Who Care apps are now available in the Apple App Store. The Android versions are coming soon. Please visit <https://apps.apple.com/us/developer/beryllium-creative-inc/id1710667911> to download them today.
